135 BUDGET

Bauer puts forward seniors' interests

I would like to thank Lt. Gov. Andre Bauer for all his efforts on behalf of the S.C. Silver Haired Legislature. Gov. Mark Sanford vetoed many items in the S.C. budget, and one was to help the Silver Haired Legislature. Bauer went to several legislators and called more on our behalf; and thanks to him and our legislators the veto was overturned.

The Waccamaw Caucus serves the seniors of Horry, Georgetown and Williamsburg counties. Our caucus members are state Treasurer Henry Baranoski, Mary Ann Baucom, Gloria Bonali, William Bridges, Frank Buono, Ed Holowacz, Phillip Keilen, Barbara Leonard, Jerry Weiner and Kenny Bingham, caucus chairman.

The Office on Aging has been put under the lieutenant governor's office and ever since we have had great support from them and we feel has benefited S.C. citizens and most especially the senior population.
